

ST THOMAS AQUINAS CATHOLIC PRIMARY SCHOOL NORLANE

SCHOOL FEES 2025

The fee structure for 2025 has been finalised in consultation with the School Advisory Council and after careful and thorough consideration of our students' needs and our school's capacity to provide an education experience that supports every student to flourish. We are also cognisant of the financial pressures that many families have experienced this year.

The tuition fees at St Thomas Aquinas are also influenced by the Commonwealth Department of Education's calculation of our community's ability to financially contribute to the operating costs of our school, known as the Capacity to Contribute, or CTC, which is reviewed annually.

School funding is complex, so I have included with this letter a simple school funding "explainer" which I hope will support your understanding of how the government funds Catholic (and other non-government) schools and how tuition fees support our school.
